CELEBRATING NATIONAL VOLUNTEER APPRECIATION WEEK!!!

Greetings!

We are most grateful to our volunteers who share their wisdom and expertise with us on the PHJC Volunteer Program Advisory Committee.

We are especially delighted to share with you that Geoff Williams and Cecily Fultz have joined the PHJC Volunteer Program Advisory Committee! Each brings wonderful gifts to share for the betterment of our program.

Cecily is the Director of Marketing and Communications at Marian Catholic High School in Chicago Heights, IL. Her background includes nuclear medicine technology, healthcare administration, and Catholic School Advancement, including enrollment,

publicity, marketing, development and alumni relations. She also enjoys photography, writing publications, working on websites and project management.

Cecily came to us after many years of working with Candace Scheidt at St. John the Evange-

list in St. John, IN and at St. Thomas the Apostle in Hyde Park, IL.

Cecily states, "I am passionate about volunteerism and mission work as a means to grow spiritually."

Geoff is the current Director of Information Technology for the Poor Handmaids of Jesus Christ. He has twenty years of experience in IT and project management. Geoff is very active in his church and serves as Youth Ministry

Coordinator. He also coordinates and plays drums for a youth and young adult focused ministry band.

Geoff states, "I believe in the ministry and mission of the PHJC Sisters and wanted to be able to contribute to that mission in a creative way beyond my "day job."

We certainly are grateful and blessed by the presence of these two wonderful witnesses of living out their Baptismal call in our Church today.

PHJC VOLUNTEER PROGRAM SEEKS VENUES FOR ADVERTISING AND MARKETING

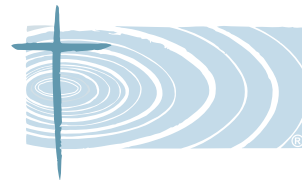

One important piece of information that we feel the need to share with you is how we currently advertise and market the program. If you have other ideas as to how we can better reach out to potential volunteers, please contact either Sr. Connie or Sr. Marybeth. We always appreciate your input.
